Permission — hang gliding and paragliding operations at Stanwell Park

1 Duration

This instrument:

- (a) commences on 1 September 2010; and
- (b) stops having effect at the end of 31 August 2012.

2 Application

This instrument applies to each person who:

- (a) operates a hang glider or paraglider at Stanwell Park, New South Wales:
 - (i) in private operations; or
 - (ii) for training for the issue of a pilot certificate for recreational purposes; and
- (b) lands, or intends to land, under the supervision of the Stanwell Park Hang Gliding and Paragliding Club (the *Club*) in any of the following areas (*designated area*):
 - (i) the area known as the Chute, being the area of sand from the seaward end of the Park Reserve to the beach; and
 - (ii) the area on Bald Hill known as the East landing area; and
 - (iii) the area on Bald Hill known as the Strip.

3 Permission

The person may fly the hang glider or paraglider without complying with any of the flight conditions mentioned in paragraph 4.7 of CAO 95.8.

4 Conditions

The permission is subject to the conditions mentioned in Schedule 1.

Schedule 1 Conditions

- 1 The person must ensure that the aircraft is operated in accordance with CAO 95.8 other than paragraph 4.7.
 - 2 All landing must be in accordance with the “Procedures of Operations” (the *Procedures Manual*), that relate to landing areas and procedures, issued by the Club on 10 June 2003.
 - 3 The person may land in a designated area only if:
 - (a) markers are in place clearly designating the landing area; and
 - (b) to do so would not endanger a person on the ground; and
 - (c) satisfied that the landing may be carried out safely, having regard to the recommended procedures set out in the Procedures Manual.
 - 4 The person must hold 1 of the following certificates issued by the Hang Gliding Federation of Australia (*HGFA*):
 - (a) restricted, intermediate or advanced Paraglider Certificate;
 - (b) restricted, intermediate or advanced Hang Glider Pilot Certificate;
 - (c) Student Pilot Certificate.
 - 5 The person must be supervised by a person who holds an Instructor Certificate issued by the HGFA, and must have the endorsement mentioned in clause 7, if he or she:
 - (a) conducts a top-landing; and
 - (b) holds a restricted or intermediate Hang Glider Pilot Certificate or a restricted Paraglider Certificate issued by HGFA.
 - 6 If the person holds a Student Pilot Certificate, he or she must be directly supervised by a person who holds an Instructor Certificate issued by the HGFA.
 - 7 For clause 5, the person must have an endorsement to top-land at Stanwell Park written in his or her log book by a member of the Club who holds an Instructor Certificate issued by the HGFA.
-
